Subject: Case1:15-cv-01004-GK Negley v DOJ
To: "Lee, Clarence Y." <Clarence.Lee@troutmansanders.com>,
April.Seabrook@usdoj.gov

All,---The foot-dragging and stonewalling by the DOJ is an effective tactic to use against someone that is 71 years old in FOIA cases; however I request that the DOJ use better and reasonable search terms that my attorney ,Mr. Lee, has suggested in 3 emails. I would like my documents as requested before another 20 years goes by. Thank you,
James L Negley
