Re: James Lutcher Negley vs. Federal Bureau of Investigation
Case No.: 03-2126 (GK)

Dear Ms. Lo:

We are in receipt of the FBI's Opposition to Mr. Negley's Motion for Contempt. In the Opposition, the FBI states several times that it has produced all responsive "non-exempt" records. See, e.g., Opp'n at 1. The Court's September 24, 2009 Order, however, states that the FBI must "produce all documents, including duplicates," as well as a Vaughn index for any redactions and/or withholdings. Please confirm that any purportedly "exempt" documents are included in the FBI's latest Vaughn index, as attached to Mr. Hardy's declaration.

I look forward to hearing from you regarding the above.

Sincerely,

Prashant K. Khetan (jk)
